Bardula At Art Paris Art Fair

USER FEATURED 2 years ago

On the occasion of the 20 years of **Art Paris**, **La Galerie La Ligne** will exhibit for the third time the works of the Belgian artist **Bardula**. His geometric and luminous creations are born from 3D digital geometric algorithms and spiral movements highlighted by LEDs. This year, the exhibition will consist exclusively of recent works created especially for the event. To discover at the Grand Palais from 5 to 8 April 2018.
